What are the best solar panels in the UK?

According to our findings, the brands with the best solar panels include REC Group, Sunpower, and AIKO. What is considered the "best" solar panel in the UK will vary depending on who you ask, and what metrics you value. Some homeowners may prefer a low-cost solar panel over one that's highly efficient, for example.

What is the best solar panel in 2024?

The best solar panel in 2024 is SunPower Maxeon 6. The best solar panel in terms of warranty is the Project Solar Evolution Titan 445, offering a lifetime warranty of 99.9 years. Over the last few years, it has become increasingly popular to install solar panels for homes across the UK.

Are solar panels a good buy?

And while energy bills remain sky-high, solar panel prices have dropped significantly over the years, making residential solar power a better buy than ever before. Buying solar panels isn't like buying other home appliances. Instead of pulling them off the shelf, you usually go through a specialist solar power installation company.

Who makes high-efficiency solar panels?

Sunpower, now known as Maxeon Solar, is the world leader in manufacturing high-efficiency solar panels using a highly robust patented cell design, which has proven to outperform and outlast conventional solar panels by a considerable amount of time.

Which REC Solar panels are the best?

Not including the other solar panels on the list, we've identified REC's Alpha Pure-RXr solar panels as the best across all of the main categories that we've assessed. One of the most notable selling points is the 25-year product and performance warranty, a strong indicator of REC's quality craftsmanship.
