

Where is Sinovel Wind Power s power generation base

Overview

Sinovel was founded by Han Junliang who later became the first wind power billionaire after the IPO of the company in 2011. Initially capital of 100 million yuan was provided by a Chinese state-owned company, Dalian Heavy Mechanical & Electrical Equipment Engineering. , the first offshore in China, began operation in July 2010 using 34 3 Sinovel turbines.

Who is Sinovel wind group?

Sinovel Wind Group Co Ltd (Sinovel) is a provider of equipment and services in the renewable energy field. The company designs, manufactures, develops and commercializes large-scale onshore, offshore and intertidal wind turbines.

How many Sinovel wind turbines are connected to the grid?

In December, 19 sets of Sinovel's 3MW wind turbines were connected to the grid at the Jiangsu Rudong Wind Farm developed by China Longyuan Power Group - the first intertidal wind farm project in the world. 2010/2/27.

How many offshore wind turbines did Sinovel install?

On February 27, 2010, Sinovel successfully completed the installation of 34 units of 3MW offshore wind turbines for the 100MW Shanghai Donghai Bridge Offshore Wind Farm project. On June 8, all the turbines were connected to the grid and put into operation. 2010/10/12.

How many MW of wind energy does Sinovel produce?

In 2011, with close to 3000MW of newly installed capacity, Sinovel surpassed 5% of the total global installed capacity meaning that 1 out of every 20 MW of wind energy capacity installed in the world is produced from a Sinovel wind turbine.

Is Sinovel a good offshore wind power project?

This project has become the only domestic offshore wind power project which passed 5 years of operation tests and warranty period. The cumulative

offshore generating capacity for Sinovel turbines reached 170MW, making it No. 1 in the Chinese market with a total of 25.84% market share.

Does Sinovel supply spare parts for wind turbines?

Sinovel also supplies spare parts for wind turbine operations. The company has operations in the Americas, Europe, Asia, and Africa.

Where is Sinovel Wind Power s power generation base
