Overview

Who is DLIGHT?

D.Light has designed and manufactured high-quality, innovative lighting products for discerning cyclists, adventurers and general outdoor aficionados.

What can DLIGHT do for You?

Empower your home, outdoor adventures, and disaster relief efforts with our versatile solar systems. d.light's sustainable energy solutions illuminate every aspect of your life. From everyday convenience to critical situations, our reliable products are designed to deliver light and power when you need it most!.

Does DLIGHT sell solar power?

If d.light customers or dealers are in need, quality customer support and service is nearby. d.light sells solar power products and services in over 70 countries. Our solar LEDs, off-grid systems, and solar battery charging systems have won awards and recognition from a variety of respected sources worldwide.

Does DLIGHT have a warranty?

All d.light products come with an industry leading warranty of up to two years. Warranty claims can be made through any of our 25,000 retail outlets worldwide. We stand behind the quality of our products, so you can make your purchase with confidence. d.light is the world's leading solar lighting brand.

Is DLIGHT a good brand?

We have great and aspirational products in mobile, tv, cookstoves, fans, and solar. All these are within the industry standard of 2-year warranty and are Verasol certified. d.light has sold over 25 million solar products across 70 different countries and is a global brand you can trust.

Does DLIGHT home lighting improve school performance?

All that changed when a friend introduced her to d.light home lighting. With d.light, Jane now has reliable, affordable lighting that allows her children to study effectively, and she has already noticed an improvement in their school performance.
